CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of October 10, 2022 in the county of Maverick in the
Western District of Texas, the defendant(s) violated:

Code Section

18 U.S.C. § 554(a)

Offense Description

Whoever fraudulently, or knowingly exports or sends from the United States or attempts to export or send from the United States, any merchandise, article, or object contrary to any law or regulation of the United States.

This criminal complaint is based on these facts:

On October 10, 2022, U.S. Customs and Border Protection (CBP) Officers encountered Miguel Angel OCURA, U.S. Citizen, as he was departing the United States into Mexico via the Eagle Pass, TX, Port of Entry (POE). A secondary inspection of OCURA's vehicle revealed the following items: empty magazines, loaded magazines, approximately 106 rounds of 9mm ammunition and 175 rounds of .223 ammunition, 7 pistols, 2 AR style rifles, and one silencer. These items were concealed within two speakers in the cab of the truck as well as in the center console and under the back seat. OCURA was read his Miranda warning to which he waived. During a post-Miranda interview with Homeland Security Investigations (HSI), OCURA indicated he knowingly and intentionally concealed the ammunition and several of the firearms in his vehicle for the purpose of transporting the firearms to Mexico. Specifically, OCURA acknowledged two pistols, magazines and ammunition which were concealed in the center console. OCURA also acknowledged the AR style rifle which was located under the rear seat. OCURA stated that he was paid approximately \$100 for gas and another \$100 for the transport. OCURA further acknowledged that it was illegal to transport the firearms into Mexico and that he had read the signs saying so as he was crossing.
